BOARD OF REGENTS

2. REGENTS OF THE UNIVERSITY

Policy 2.A: Conflict of Interest – Board of Regents

The Board of Regents recognizes that a regent is required to comply with applicable provisions of Colorado law regarding conflicts of interest, including Title 18, Article 8, Section 308; Title 18, Article 8, Section 402; and Title 24, Article 18, Section 108.5, C.R.S. To further enhance its credibility and accountability, the board has adopted the following additional conflict of interest policies.

2.A.1 Conflict of Interest Policy

Consistent with a regent's fiduciary responsibility, a regent serves the public trust and exercises their powers and duties in the interest of the public, the university, and the board. A regent's independent judgment in the discharge of board responsibilities must not be impaired as a result of conflicts between the interests of the university and the regent's own financial interest or personal interest, or the financial interests or personal interests of the regent's family or associates. If a regent believes that they have a conflict of interest, the regent shall disclose the conflict to the board and refrain from participating in the matter to which the conflict relates. The minutes of the meeting where the disclosure is made will reflect the disclosure and regent's abstention from participation in the matter.

A regent is not deemed to have a conflict of interest if the matter affects the entire membership of a class to which the regent belongs.

A regent shall not use confidential information acquired in the course of the performance of regent responsibilities to further the regent's own financial interest or personal interest, or the financial interests or personal interests of the regent's family or associates.

For purposes of this policy:

(A) "Associate" means a person, entity, or enterprise with respect to which the regent:

- (1) is a director, officer, employee, member, partner, or trustee; or
- (2) has a financial interest that represents five percent or more of the regent's assets or any interest that enables the regent to exercise control or to influence policy significantly; or
- (3) has any other material association.

(B) The "Family" means a regent's spouse, dependents and, if living in the same household and sharing expenses, other individuals.

(C) "Financial interest"¹ means a substantial interest held by an individual, including:

- (1) an ownership interest in a business;
- (2) a creditor interest in an insolvent business;
- (3) an employment or prospective employment for which negotiations have begun;
- (4) an ownership interest in real or personal property;
- (5) a loan or other debtor interest;
- (6) a directorship or officership in a business; or
- (7) a personal and material economic interest in a transaction.

In the application of this policy, a regent should avoid the appearance of impropriety, which includes any conduct that might lead members of the public to conclude that the regent is using their official position to further the financial or personal interests of the regent or the members of the regent's family, or the financial interests of the regent's associates or non-dependent children, parents, or siblings. To avoid the appearance of impropriety, a regent should disclose to the board any financial, personal, or other interest of the regent or regent's family or associates in a matter that might reasonably be perceived either as adversely affecting the regent's exercise of independent judgment on behalf of the university, the board, and the public or as a breach of the regent's public trust. In the case of an associate or family member, the regent's disclosure is necessarily limited to those financial interests of which the regent has knowledge since the regent may not have access to full information about all financial interests.

2.A.2 Prohibited Transactions

The University of Colorado shall not have any business relationship with any company, corporation, partnership, or other entity or venture in which a member of the Board of Regents serves, directly or indirectly, in an executive or policymaking position, provided however that, after an affirmative vote at a regular or special meeting of the board by six members, the provisions of this resolution may be waived as to any particular business relationship.

2.A.3 Annual Disclosure

Regents shall disclose on an annual basis any financial interests or personal interests that may create an actual or potential conflict of interest and shall supplement the disclosure as new interests appear. University counsel shall develop an appropriate form for the regents' individual use in making such disclosure and advise on the development of a management plan for disclosed conflicts.

Policy 2.F: Board Meetings

2.F.1 Regular and Special Meetings

As described in Article 2.B.1 of the Laws of the Regents, the Board of Regents may meet either at regularly scheduled meetings or at special meetings noticed in accordance with the requirements of the Colorado Open Meetings Law. The official posting place for notice of all regents' meetings is the Board of Regents website at <https://regents.cu.edu>.

2.F.2 Executive Session

At any regular or special meeting of the Board of Regents, the regents may meet in executive session for any purpose allowed under the Colorado Open Meetings Law. Any executive sessions will be conducted in accordance with the Colorado Open Meetings Law. The Board of Regents may not take formal action in executive session unless permitted by law. Any regent or administrator who attends an executive session is responsible for maintaining the confidentiality of any executive session discussions or materials unless the Board of Regents, with the concurrence of the University Counsel, has authorized a disclosure of executive session discussions or materials.

2.F.3 Purpose

The purpose of regular and special meetings of the Board of Regents is to support the regents in their governance functions, to allow the regents to exercise their fiduciary responsibilities, and to enable the regents to perform the functions vested in them under the Laws of the Regents and regent policy. The agendas for regular and special meetings of the Board of Regents should be developed to further this purpose.

2.F.4 Agenda Setting

In advance of any regular or special meeting of the Board of Regents, the Secretary of the Board of Regents shall request potential discussion and action items from the regent committees and the administration. In consultation with the administration and the vice chair of the board, the chair of the board shall determine the agenda for any regular or special meeting and authorize the Secretary of the Board of Regents to post the agenda in accordance with the Colorado Open Meetings Law.

At any regular or special meeting of the Board of Regents, the first action item will be the board's approval of the agenda. After the agenda is approved, action or discussion items may be added to the agenda only upon the consent of the chair and vice chair or a two-thirds vote of the Board of Regents.

2.F.6 Distribution of Materials

Under normal circumstances where time permits, any materials or presentations related to action or discussion items for a regular or special regent meeting should be distributed to the regents and posted with the agenda in advance of the meeting.

2.F.7 Development of Policy

The development of policy, defined as those actions that are intended to influence future actions and decisions within the university, should occur through defined policymaking processes, rather than through direct action by the Board of Regents. Under normal circumstances, the appropriate regent committee should consider any new or amended Laws of the Regents or regent policies before the Board of Regents considers and votes upon them. The Board of Regents shall consider new or amended Laws of the Regents or regent policies that a regent committee has not considered only upon the affirmative vote of two-thirds of the regents.

2.F.8 Use of Resolutions

A resolution is intended to allow the Board of Regents to take action on a current matter, rather than to establish ongoing policy for the university. The Board of Regents will ordinarily consider a resolution only if: (i) an administrator who has responsibility over the subject of the resolution has brought it for the board's consideration; or (ii) a regent committee has considered the resolution. The Board of Regents shall consider a resolution that one or more regents has brought without a regent committee's prior consideration only upon the affirmative vote of two-thirds of the regents.

In making such a determination, the chair of the Board of Regents, or the vice chair, must determine that the requested travel is in the best interests of the University of Colorado and does not confer a benefit solely upon the regent who seeks approval. The chair of the Board of Regents, or the vice chair, may also consider the following factors in determining whether to approve the request:
- (A) The anticipated value of the regent's attendance at the event or function to the University of Colorado
 - (B) The cost of the regent's attendance at the event or function in relation to the approved travel budget for the Board of Regents
 - (C) Travel requests by other regents and the desire to ensure that regents have equal opportunities to represent the Board of Regents
- 2.H.3 The chair of the Board of Regents, or the vice chair, shall notify the regent who submitted the request to travel of the disposition of the request. Policy 2.J: Fiduciary Obligations

The Board of Regents recognizes that a regent serves in a position of trust and agrees to observe fiduciary obligations in the exercise of official duties. These fiduciary duties include:

- 2.J.1 The duty of care by which a regent shall exercise the same degree of diligence and care in the discharge of regent duties that a reasonably prudent person would exercise when attending to personal affairs. In discharging this duty:
- (A) A regent shall act at all times in good-faith and with the appropriate diligence, care, and skill required under the circumstances.
 - (B) A regent shall act in a manner reasonably believed to be in the best interests of the university.
 - (C) A regent shall actively attend and participate in board and committee meetings, evaluate the materials presented, and ask questions necessary to inform the regent's performance of official duties.
 - (D) A regent may rely upon information, reports, and statements prepared by officers of the university and the administration and other persons in the employ of the university, so long as the regent has reason to believe that the person responsible for preparing and presenting the data is competent.
- 2.J.2 The duty of loyalty by which a regent shall exercise the regent's authority in pursuit of the university's best interests. In discharging this duty:
- (A) A regent shall faithfully pursue the interests and mission of the university, rather than the regent's own interests or the interests of another person or organization.
 - (B) A regent shall actively disclose existing or potential conflicts of interest and comply with Regent Policy 2.B.
 - (C) A regent shall maintain confidentiality about any matters presented to the Board of Regents in executive session as permitted by the Colorado Open Meetings Act, unless the board has authorized disclosure for a lawful purpose.
 - (D) A regent shall retain the Board of Regents' independence from external and internal stakeholders in conducting its oversight and policy responsibilities.

2.J.3 The duty of obedience by which a regent shall exercise the regents' authority consistently with the United States and Colorado constitutions, applicable state and federal laws, and the Laws of the Regents. In discharging this duty:

- (A) A regent shall ensure that, in the exercise of official duties, the regent's conduct is in accordance with applicable law and the university's mission.
- (B) A regent shall ensure that, in the exercise of official duties, the regent's conduct observes university internal controls to achieve compliance with applicable legal requirements.

Policy 2.K: Personnel Authority for Employees Exempt from the State Personnel System

In accordance with its constitutional and statutory authority and duties, the Board of Regents shall make or approve all appointments, terminations, title changes, and salaries, including administrative stipends ("Personnel Matters"), for those employees exempt from the state personnel system. As used in this policy, termination does not include acceptance of resignations and retirements.

As permitted by C.R.S. §23-5-117, the board delegates its authority over Personnel Matters regarding faculty and staff to the president except as provided in Section 2.K.1 and 2.K.2.

2.K.1 The board retains authority for:

- (A) Personnel Matters pertaining to officers of the university as defined in Article 3.B;
- (B) The award of tenure to faculty and the revocation of tenure; and
- (C) The award of term contracts as authorized by C.R.S. §24-19-104(1.5) and extensions to such term contracts.

2.K.2 The associate vice president of internal audit will be the hiring authority regarding Personnel Matters pertaining to university staff reporting directly to the associate vice president of internal audit.

2.K.3 The president may delegate the authority provided herein to a chancellor or vice president. The chancellor or vice president may further delegate this authority to an officer of the administration.

- (A) All delegations of the president's authority must be express and in writing and shall be posted on a central website.

2.K.4 The delegation described in this policy applies only to Personnel Matters as that term is defined in this policy. Authority over any personnel actions that are not included in the definition of Personnel Matters - for example, leave approvals, evaluations and acceptance of resignations and retirements - shall be exercised in accordance with and under the authority provided by applicable policies and procedures.

BOARD OF REGENTS

2. REGENTS OF THE UNIVERSITY

Policy 2.N: Approval, Revisions, or Repeal of Regent Policy

2.N.1 Approval, revisions or repeal of regent policy can be made only after notice of the proposed revision has been given at a previous regular or special meeting of the Board of Regents. The Board of Regents may waive the notice requirement and allow approval, revisions, or repeal of regent policy upon an affirmative vote of two-thirds of the board.

Notwithstanding the requirements of this policy, the secretary of the Board of Regents, with the concurrence and direction of the Laws and Policies Coordinating Committee¹, may make the following changes to regent policy without a vote of the board:

- (A) Correct obvious errors and inconsistencies.
- (B) Correct inaccurate references to the titles of officers, departments, or other agencies of the university and to other regent laws or policies and make such other name changes as are necessary to be consistent with the laws and policies currently in effect.
- (C) Clarify existing regent laws or policies, modernize terminology, and make such other non-substantive changes as the Laws and Policies Coordinating Committee considers proper.
- (D) Adopt a uniform system of punctuation, capitalization, and wording, and incorporate such system into existing regent laws and policies.

The secretary of the board may not change the substance of any regent policy but may make such changes in arrangement and terminology that will, in the judgment of the Laws and Policies Coordinating Committee, improve the style and clarity of the policies, yet preserve the intent, effect, and meaning of each provision. The movement of sections between regent laws and policies is considered a substantive change. The Laws and Policies Coordinating Committee shall keep a record of any changes made pursuant to this policy that are not subject to a vote of the Board of Regents. A written summary of any new changes will be provided at each Regent Governance Committee meeting, and a written summary will be included for each Board of Regents' meeting as part of the Governance Committee Report.

¹ This is an administrative committee established to support the formal review of regent laws and policies as outlined in Board of Regent resolutions approved on November 6, 2015, and April 28, 2023.
