**Footnotes:**

- 1) Tuition structure change, effective Fall 2017
  - a: Resident undergraduate tuition rates represent the student share of tuition after the College Opportunity Fund stipend is applied for eligible authorizing students.
  - b: Fees presented do not include instructional program or course fees.
  - c: Room and board for CU-Boulder and UCCS undergraduates is the actual rate for a double on campus. For all others, room and board is the CCHE approved annual allowance.
  - d: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.
  - e: For several programs at the Anschutz Medical Campus, students take more than 30 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 30 credit hours.
  - f: Graduate Pharmacy tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.
  - g: Incoming students only. The Physician Assistant Studies program is transitioning to flat-rate tuition, and the FY 2017 tuition shown is for illustrative purposes only. Tuition for continuing students will be per credit hour with no increase from FY 2017 to FY 2018.
  - h: Incoming students only. Tuition for continuing students will remain flat from FY 2017 to FY 2018. Average tuition increase for nonresident MD students is 0.4%.
- \* This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.

**Footnotes:**

1) Tuition structure change, effective Fall 2017

\* This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.

a: Resident undergraduate tuition rates represent the student share of tuition after the College Opportunity Fund stipend is applied for eligible authorizing students.

b: Fees presented do not include instructional program or course fees.

c: Room and board for CU-Boulder and UCCS undergraduates is the actual rate for a double on campus. For all others, room and board is the CCHE approved annual allowance.

d: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.

e: For several programs at the Anschutz Medical Campus, part-time students may take more than 12 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 12 credit hours.

f: Graduate Pharmacy tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.

g: Incoming students only. The Physician Assistant Studies program is transitioning to flat-rate tuition, and tuition for continuing students will be per credit hour with no increase from FY 2017 to FY 2018.

**Footnotes:**

1) Tuition structure change, effective Fall 2017

\* This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.

a: Fees presented do not include instructional program or course fees.

b: Room and board for CU-Boulder and UCBS undergraduates is the actual rate for a double on campus. For all others, room and board is the CCHE approved annual allowance.

c: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.

d: For several programs at the Anschutz Medical Campus, students take more than 30 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 30 credit hours.

e: Graduate Pharmacy tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.

f: Incoming students only. The Physician Assistant Studies program is transitioning to flat-rate tuition, and the FY 2017 tuition shown is for illustrative purposes only. Tuition for continuing students will be per credit hour with no increase from FY 2017 to F

g: Incoming students only. Tuition for continuing students will remain flat from FY 2017 to FY 2018. Average tuition increase for nonresident MD students is 0.4%.

**Footnotes:**

1) Tuition structure change, effective Fall 2017

\* This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.

a: Fees presented do not include instructional program or course fees.

b: Room and board for CU-Boulder and UCCS undergraduates is the actual rate for a double on campus. For all others, room and board is the CCHE approved annual allowance.

c: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.

d: For several programs at the Anschutz Medical Campus, part-time students may take more than 12 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 12 credit hours.

e: Graduate Pharmacy tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.

f: Incoming students only. The Physician Assistant Studies program is transitioning to flat-rate tuition, and tuition for continuing students will be per credit hour with no increase from FY 2017 to FY 2018.
