DATE: September 10, 2018
RE: Recommended Rescission of Appendix 4.1

It is recommended that Appendix 4.1 be approved for rescission with the approval of Regent Policy 5.F.

- Policy statements in Appendix 4.1 have been incorporated into Regent Policy 5.F.
- If approved for rescission, rescission will not be effective until Policy 5.F is in effect; Appendix 4.1 remains in effect until such time.
