RE: Recommended Changes to Articles 14 and 15, and Regent Policy 13.A

The Budget and Finance working group recommends only minor revisions to Regent Article 14 and no changes for Regent Article 15 or Regent Policy 13.A. These laws and policies were reviewed by University Counsel, the University Treasurer, and system and campus chief financial officers.

**Article 14: Property and Facilities – Minor Revision Recommended**

The revision adds conforming language for branding standards and trademark compliance, as well as a reference to recent changes to Regent Article 1.E related to freedom of expression on campus property.

**Article 15: Treasury of the University – No Revision Recommended**

This language provides appropriate guidance and reflects current practices of the University Treasurer's Office.

**Policy 13.A: University Investments – No Revision Recommended**

This policy was last reviewed and affirmed by the Regents in April 2015. No revisions are recommended.
