RE: Recommended Changes to Article 3.C.1(D) Temporary Appointment to President

Article 3.C.1(D) Temporary Appointment to President was not reviewed as part of the overall review of *Article 3: Officers of the University and Administration* in September 2017 but has remained in effect and was kept as it was at the end of the revised Article 3 – awaiting a formal review.

It has now been reviewed. Staff recommends no content changes, but recommends it be moved/renumbered from Article 3.C.1(D) to *Article 3.D: Temporary Appointment to President*.
