## A Comprehensive Benefit Package

Welcome to the University of Colorado! CU's four campuses succeed in transforming Colorado's communities and the nation through the efforts of an amazingly diverse workforce. Classified Staff member is key to fulfilling the university's [mission](#) to be one of the greatest university systems in the world; an engine of leading-edge teaching, discovery and inclusivity.

Employee Services strives to make CU's workforce stronger, healthier and more secure. That's why we offer a comprehensive benefits package to support your health, wellness and retirement goals. This benefit package is an important part of your [total compensation](#). It provides choice and value to meet the needs of CU's diverse workforce. With that choice comes a lot of information that may feel overwhelming. So we have tools and information to help you make the best choices for you and your family.

This booklet offers a comprehensive overview of your health, wellness and retirement benefits options, eligibility and enrollment. There are many useful links to tools and resources that will help you dig deeper as you choose your benefits and use them.

Your main source of information is the [Employee Services Benefits](#) website. The information in this booklet is housed there, in addition to all you will need to use your valuable benefits. If you need additional help or guidance, you can speak to a benefits professional by calling 303-860-4200, option 3 during regular business hours, or send an email to [benefits@cu.edu](mailto:benefits@cu.edu).

## General Eligibility Rules

**Employee eligibility:** As a Classified Staff employee, the university will review your job classification and appointment to determine your eligibility. Typically, you must be in a regular, benefits eligible position (or a combination of positions) of 50% or greater appointment to be eligible for employee benefits.

**Dependent eligibility:** As an eligible employee, you can add the following dependents to your plans:

- Spouse, Common-Law Spouse, Civil Union Partner, Domestic Partner\*
- Dependent children up to age 27
- Qualifying disabled children over age 27

Once enrolled, you must provide [dependent eligibility verification](#). Documentation must be received by Employee Services by your enrollment deadline (31 days from your hire date). Dependents only need to be verified once; verification will carry over year-to-year.

**Dual coverage:** When two members of a household are employed with the university and/or university affiliates, you and your dependents cannot be covered as both an employee and a dependent for any CU medical, dental or vision plan. Dual coverage is allowed for life insurance. A member may be insured as both a member and a dependent up to a maximum combined life insurance and dependent's life insurance benefit of \$1,000,000. A child may be insured by more than one member.

**\*Imputed income:** The IRS uses the term [imputed income](#) to describe the value of any benefit or service that is considered income when calculating your federal taxes. Know your taxation. Some benefits and some dependent groups may be subject to taxation.

## Enrollment

**Plan year:** The benefit plan year runs from July 1 through June 30. As a new hire or newly eligible employee, your elections will run from your effective date until June 30.

**Open Enrollment:** Open Enrollment occurs in the spring of each year for an effective date of July 1.

**Effective date:** Your official hire date determines when your coverage will begin. You can find your official hire date on your university welcome letter. If your hire date is the first of the month, your coverage will begin immediately, otherwise it will be the first of the following month.

*For example:*

*If your hire date is May 1, your benefits will be effective May 1.*

*If your hire date is May 2 (or later), your benefits will be effective June 1.*

You will [enroll](#) in your benefits in the secure environment of your employee portal, [my.cu.edu](#).

**Deadlines and defaults:** You have 31 days from your official hire date to enroll or waive coverage. If you fail to enroll or waive your coverage within the deadline, you will be enrolled automatically in the following default plans:

Plans	Coverage	Cost
Medical: CU Health Plan – High Deductible	employee only	\$0/month
Dental: CU Health Plan – Essential Dental	employee only	\$0/month

Once you submit your elections, or you are defaulted, your elections will remain for the plan year. You may not make any changes to your elections until next Open Enrollment, unless you experience a [qualifying life change](#).

**Payroll deductions:** Insurance premiums are deducted from the same month that they occur.

*For example: The deductions from your paycheck in July covers your July premiums.*

As a new hire, your first deduction depends on the time of month you enroll. Enrollments received after the 20<sup>th</sup> of the month may not be reflected in that month's paycheck, resulting in a double deduction the following month.

## MEDICAL

### CU Medical Plans

CU is dedicated to providing quality, affordable healthcare to its employees and their dependents. CU contributes 80-100% to employee monthly premiums. As a University employee, you have access to quality, personalized medical care with CU's four medical plans. This section provides an overview of the most common considerations for choosing a plan and highlights the medical plan options for you and your dependents.

All four CU Medical plans have built in plan features:

- Yearly, no-cost preventative care for each plan participant and access to [CU wellness programs](#)
- No-cost Flu shot clinics and Biometric Screenings on each campus
- Emergency / Urgent Care worldwide
- Affordable prescription drug prices

### WELLNESS PROGRAMS

- Gym Discounts
- Weight Loss Programs
- Nutritional and Meal Planning Apps
- Colorado Move Program
- Breathe with Quitline

### Choosing a Medical Plan

When choosing a medical plan, these are three common considerations:

**Network:** The plan network determines where you will go to access care when you need it. You will want to understand the differences between the four plan networks before making your decision.

**Cost of care:** When you need care, what will it cost? How much will it cost to use the plan?

**Cost of plan:** How much does it cost to have the plan? CU covers a large portion of your monthly premiums, however, you will also contribute the plan's cost. Understanding the [plan rates](#) will help you determine the cost of having the plan.

### Option 1: CU Health Plan – Exclusive

**Network:** Under this Anthem-administered plan, you will choose any primary care physician within one single statewide network, giving you access to a great number of doctors and specialists within three hospital systems across the Front Range: Poudre Valley, Anschutz Medical Campus, and Memorial Hospital System. As a member, your physician will manage your health care; referrals are required for most specialists. There is no out-of-network coverage, except for urgent and/or all emergency care. [Find a doctor](#).

#### Cost to Use the Plan:

CU Health Plan Exclusive (HMO) – Anthem Plan

### Option 3: CU Health Plan – High Deductible/HSA Compatible default plan

**Network:** CU Health Plan – High Deductible/HSA Compatible offers the widest access to care with Anthem’s nationwide network of providers and facilities as well as out-of-network coverage for covered services. You will pay more if you use out-of-network care. There are no copays on this plan. Once you satisfy the deductible, you’ll be responsible for paying the coinsurance until you reach your out-of-pocket maximum. Once this amount is reached, all covered services and prescriptions will be covered at 100%. A primary care physician is not required, and members can refer themselves to doctors of their choice including specialists. [Find a doctor.](#)

### Flexible Spending Accounts (FSA)

The Flexible Spending Accounts (FSA) allow you to set aside pretax money for certain qualifying expenses. These accounts are regulated by the IRS who determines contribution limits, qualifying expenses and has designated them as “use or lose it.” The money you set aside in the account is meant to be spent and claimed by the established deadlines, or you will lose the money. CU has two FSA accounts. The Health Care FSA (HCFSA) allows you to set aside funds to spend on health care expenses. The Dependent Care FSA (DCFSA) allows you to set aside money for child care or day care expenses for eligible dependents. CU’s FSA accounts are administered through [ASIFlex](#). If you want to participate

in an FSA, you must make an election as a new hire, at each Open Enrollment or if you experience certain [Qualifying Life Changes](#).

### Health Savings Account (HSA)

The Health Savings Account (HSA) is an account that must be paired with the CU Health Plan – High Deductible medical plan and can be used for qualified health care expenses now or in the future. The HSA is a savings account that you own. You will keep and manage this account even if you leave the university, change health plans or retire. CU’s HSA is administered by [Optum Bank](#).

There is a triple tax benefit with the HSA. Contributions are pretax, any growth is tax-free and when used on qualifying health care expenses, it is also tax free. As long as you are enrolled in the CU Health Plan – High Deductible medical plan, you can enroll in, increase or decrease your HSA contributions at any time.

## Premium Only Plan

The Premium-Only Plan (POP), a part of the IRS Code Section 125, allows you to elect to pay your medical, dental and vision insurance premiums before or after taxes are deducted.

If you choose the before-tax option, your premiums will be deducted from your pay before taxes are calculated, reducing your taxable income, saving you money by withholding fewer dollars for federal, state and Social Security taxes. If you choose the after-tax option, your premiums will be deducted after your pay has been taxed.

- You will be given the opportunity to make your election as you enroll in your CU Health plans in your employee portal.
- If you do not make an election, your premiums will be deducted after tax.
- Once you make this election, your enrollment will continue for the plan year. A new election can be made only during Open Enrollment.
- If you have dependents enrolled in university benefits who do not qualify as federal tax dependents for health coverage purpose, their premiums are not eligible for the POP, and you may incur [imputed income](#).
- If you are paying into the PERA retirement plan, and you are within 3-5 years of retirement, keep in mind that your PERA defined benefit pension plan is calculated by your age, years of service and highest average salary. Anytime you make a before-tax deduction from your pay, you are lowering your taxable income, which will lower your highest average salary.

*Employee Services does not provide tax advice to employees. Please contact your personal tax advisor, the IRS, SSA, State of Colorado or local government directly for professional tax advice.*

# Life Insurance

CU life insurance policies can provide financial protection for your loved ones in the event of your death, and can be important to their future security. The university provides, at no cost to you, a generous Basic Term Life insurance policy of \$50,000.

If you determine that you would like to have additional coverage, the university also offers the ability to purchase two other policies for you and your dependents: Optional Term Life and Voluntary Accidental Death & Dismemberment plans.

2. **Submit Form**  
The Standard Insurance Company  
Medical Underwriting  
900 SW Fifth Avenue  
Portland OR 97204
3. **Approval**
  - a. The Standard will notify the applicant and the university when application is approved.
    - i. Effective date of the policy is the date of approval by The Standard.
    - ii. Premiums are effective the first day of the month following the approval date.
  - b. The university will notify the applicant when approval is received. At that time the applicant will designate beneficiaries and indicate tobacco usage via the provided form.

\*EOI: By signing the [Medical History Statement](#), the applicant is authorizing the Standard Insurance Company to obtain information about the applicant's health, undergo a physical examination, if required, which may include blood testing, and provide any additional information about the applicant's insurability that The Standard may reasonably require.

**[Qualifying Life Changes:](#)** The employee and spouse or partner may increase up to \$10,000 without evidence of insurability for certain life changes. Please call Employee Services for more information at 303-860-4200, option 3.

**What the plan covers:** In the event of the covered member's death, should it be ruled an accidental death under the terms of the group policy, the AD&D insurance pays a benefit in the amount of the policy. In the case of a loss other than death, such as the loss of a hand, sight, speech, hearing or other loss, the amount payable is a percentage of the AD&D Insurance policy and is determined according to the terms of the group policy table ([Group AD&D Certificate](#)).

**Beneficiaries:** Employee must name their beneficiaries at time of enrollment. A beneficiary is a person(s) or organization named to receive the benefit in the event of the employee's death. The employee can change their beneficiaries anytime in the [employee portal](#). For spouse/partner and/or child's policy, the employee is the beneficiary.

**New Hire/New Eligible Enrollment in Voluntary AD&D:** New hire/newly eligible employees are eligible to enroll in Voluntary AD&D at the time of their new hire/new eligible benefits enrollment in the [employee portal](#).

Disability coverage insures that you will have some income in the event that you are unable to work due to injury, illness or pregnancy/child birth.

As a CU Classified Staff member, you have short-term and long-term disability options. These benefits are administered by The Standard Insurance Company.

[Rate Sheet](#)

### Short Term Disability

Short-term disability is automatic, and CU is paying your premium.

This insurance will pay 60% of your pre-disability earnings after the benefit waiting period until you either return to work or the end of the 22-week maximum benefit period.

[CU Classified Staff Short-Term Disability Insurance Certificate Amendment No. 4](#)

### Long Term Disability

If you are unable to return to work after 180 days, long-term disability will begin to provide 60% of your pre-disability earnings until the end of the maximum benefit period.

As a Classified Staff member, your Long-term disability is optional and you can enroll by calling Employee Services and completing a [medical history form](#). See the table below for further information.

CU helps Classified Staff members save for retirement, by generously contributing to a mandatory retirement plan. CU also provides eligible employees with the opportunity to bolster their retirement savings with voluntary plan options.

When you are hired by the university, you are placed into a mandatory plan based on your job classification/eligibility and your PERA (Public Employee Retirement Association) history. Please follow the guidelines below, to determine your plan eligibility.

## Mandatory Retirement Plans

The university has two mandatory retirement Plans: University Retirement Plan (URP) and Public Employee’s Retirement Association (PERA). All Classified Staff participate in one of the two PERA Mandatory Plans.

Mandatory Retirement Plan Overview	Job Classification	Plan Administrator
<b>University Retirement Plans (URP)</b>		
University of Colorado 401(a) – Mandatory Plan	Eligible Faculty and University Staff	TIAA
<b>PERA Plans</b>		
PERA Defined Benefit (DB) – Mandatory Plan	Classified Staff Members and Faculty/University Staff with PERA Choice	PERA
PERA Defined Contribution (DC) – Mandatory Plan (new hire/newly eligible 1/1/19 or later may be eligible)	Classified Staff Members Eligible for Classified PERA Option	PERA

- If you do not have a PERA Defined (DB) Plan or PERA Defined Contribution (DC) Plan, or if you have one but have not contributed to it in more than 12 months, you will receive the CU PERA Classified Options letter for [PERAChoice](#).\*
  - You will have 60 days to make your election of the PERA DB Plan or the PERA DC Plan,
  - If you do not make your election within 60 days, you will default into the PERA DB Plan.
- If you have a PERA DB Plan and have made a contribution in the past 12 months, you will be placed in your PERA DB Plan.
- If you have a PERA DC Plan and have made a contribution in the past 12 months, you will be placed in your PERA DC Plan.

\*CU PERA Classified Options is referred to as [PERAChoice](#) by PERA. For information regarding the difference between the PERA DB and PERA DC Plan, please visit [www.copera.org](http://www.copera.org) or refer to the [PERAChoice Brochure](#).

## Voluntary Retirement Plans

If you would like to do more to prepare for retirement, CU offers employees three voluntary savings plans:

Retirement plans	Eligibility job code	Plan administrator
<b>University Retirement Plans (URP)</b>		
University of Colorado 403(b) – Voluntary Plan	All Employees	TIAA
<b>PERA Plans</b>		
PERA 401(k) – Voluntary Plan	All Employees	PERA/Voya
PERA 457 – Voluntary Plan	All Employees	PERA/Voya

You do not need to be a PERA member to have a PERA 401(k) or 457 account, and likewise, PERA participants can have 403(b) account.

### How the plans work

These defined contribution plans allow you to create an individual account to set aside money on a pretax basis. Your benefits are based on the contributions credited to these accounts, plus or minus investment gains or losses. Investment risk and investment rewards are assumed by each individual, not by PERA or CU. These are 100% employee contributions, meaning there is no match from CU.

### How much can you contribute?

The 2019 IRS contribution limits for voluntary retirement plans are as follows:

- The CU 403(b) and the PERA 401(k) have a combined limit of \$19,000. If you are age 50+, the IRS allows you 'catch-up' contributions of \$6,000, for a total limit of \$25,000.
- The PERA 457 plan, has a separate limit of \$19,000. If you are age 50+, the IRS allows you 'catch-up' contributions of \$6,000, for a total limit of \$25,000.

By using the correct combination of voluntary plans, the 2019 IRS limits allow you to contribute a combined total maximum of \$38,000 if you are under age 50, or \$50,000 if you are age 50 or older.

All three plans have no minimum contribution. You can decide how much of your pay to contribute.

Your contributions will be pretax and lower your taxable income.

### How to enroll

You can enroll, increase or decrease contributions to your voluntary plans at any time. Contact a benefits professional at Employee Services for details at 303-860-4200, option 3.
