Get a Salary Key:

A Salary Key is a single-use, six-digit code that you can provide to a verifier as consent to access your income information. Just so you know, your consent is provided at point-of-application (for example, when you sign a loan application), and a Salary Key is not normally needed – actually less than 1% of the time in most cases. But if a verifier asks you to provide one, The Work Number makes it easy to get one.

www.theworknumber.com and login to learn more, the Employer Code is:

UNIVERSITY OF COLORADO	20579
UNIVERSITY OF COLORADO – Student Population	20592

The new Salary Key can be printed or emailed with instructions for the verifier on how to use it through The Work Number.

Note – At any point, select the “Salary Key Activity” link to view the status (used, unused, expired) of keys created.
