Description: CU Denver is in the process of developing a 10-year master plan
for the Denver campus. It is anticipated that the effort will
conclude this month. Assisting CU Denver in this effort are
SmithGroupJJR, Paulien and Associates, and Brailsford and
Dunlavey. This second of three presentations to the Board will
involve a presentation of findings to date and is intended to be a
work session to gain the Board’s input on physical planning
strategies.
