RE: Recommended Changes to Regent Policy 6

The Board of Regents Policy 6 is up for scheduled review. At this time, there are no recommended changes to Regent Policy 6 A, B, C, or D.

Currently included in these sections are:

- 6A – Delegation of Authority
- 6B – Staff Recruitment
- 6C – Appointments of Staff
- 6D – Evaluations for Staff

The University of Colorado Staff Council (UCSC) has requested a new Regent Policy and the draft is contained in Regent Policy 6.E.

This policy section solidifies the relationship between the Board of Regents and UCSC. UCSC represents all campus staff council entities and CU staff directly to the Board of Regents.
