

Single IRB review for CU Anschutz Medical Campus and CU Boulder Research Collaborations

The IRBs for CU Anschutz Medical Campus and CU Boulder regularly rely upon one another for research collaborations involving both campuses. To facilitate single IRB review, contact regulatory offices at both/either campus early in the collaboration. Links to specific submission instructions can be found at the bottom of this page.

If there are questions about which IRB will serve as single IRB for a specific research project, contact any of our offices at the emails provided below.

Please note, you will need to provide the following information:

- Study title
- CU Anschutz PI
- CU Boulder PI
- Grant or Proposal
- Which institution is the primary recipient of the research funding?
- Does the research investigate a drug or medical device?
- Where do most study visits with research subjects take place?
- Does the research involve the use of Protected Health Information?
