

License Object Fields [1]

April 3, 2020 by [Melanie Jones](#) [2]

?Admin

- **Active User** | Currently has an active license in Salesforce, Marketing Cloud or Cvent.
- **Provisioning Access** | Details on the applications this user has current access to.
- **Public Group** | This user is granted permission to the right Report Folder and Campaigns through the Public Group.

Onboarding

- **?Quiz Passed** | New users provisioned starting in Nov. 2019 are required to pass the quiz associated to the application(s) they have access to.
- **Training Path** | Defines what training path the user is registered for. If blank, they have not registered.
- **Deny Send Role** | New Marketing Cloud users are provisioned with the Deny Send Role. This role restricts the ability to send emails. This role is removed once the MC Quiz is passed.
