

## Salesforce | Accelerators <sup>[1]</sup>

August 2, 2017 by [Kate O'Connell](#) <sup>[2]</sup>

Salesforce offers a wide range of resources for their customers. Among these resources are accelerators, or quick, personalized work sessions that solve specific Salesforce challenges.

### Salesforce Accelerators

These collaborative virtual or on-site sessions with Salesforce experts help you drive adoption, take advantage of the newest features, and increase your team's productivity — without requiring a lengthy scope of work or major time commitment. You can learn more about accelerators on the [Salesforce website](#) <sup>[3]</sup> or by viewing the [accelerator library](#) <sup>[4]</sup>. A sample list of accelerators include:

- Marketing Cloud Adoption Improvement
- Journey Builder Base
- Custom Field Clean Up
- Salesforce Adoption Improvemnt
-
