

Tips & Tricks | Become a Data-Driven Marketer [1]

June 27, 2018 by [Kate O'Connell](#) [2]

Marketing places a lot of emphasis on engaging creative material. While developing high quality creatives is important, understanding your marketing performance data is paramount. A recent [LinkedIn](#) [3] [marketing article](#) [4] has key tips and tricks to help drive strategic decisions and implement best practices for your marketing data.

Highlights include:

- Focus on the reality instead of assumptions
- Business relevant data is key
- Initiate a clean up operation
- Become a true data driven pro
