March 8, 2019 by [Employee Services](#) ^[2]

The performance cycle for university staff has ended and the classified staff performance cycle ends **March 31**.

Ensure you set goals for your university staff by the end of March and prepare for classified staff evaluations by reviewing important deadlines and learning resources below.

Mark your calendar for the following deadlines

April 1: The performance cycle begins and classified staff must be evaluated before April 30.

May 1: All evaluations must be turned into your campus human resources office. In May, meet with classified staff to discuss goals for the year. Not sure where to start? [Use our goal setting resources](#) ^[3].

June 1: Submit a copy of the performance plan's front page to your campus human resources office.

Note: Procedures differ by campus. Please reach out to the [CU Boulder](#) ^[4], [CU Denver](#) ^[5], [UCCS](#) ^[6] or [System](#) ^[7] human resources offices for campus-specific performance management information.
