Marketing Cloud Training ^[1]

October 22, 2024 by [Melanie Jones](#) ^[2]

Training is approached in phases. Depending on where your unit is with being onboarded to Marketing Cloud, certain features may not be available. You're welcome to check out future resources, even if currently unavailable or applicable.

PRE-ACCESS REQUIREMENTS

- Autonomous
- Supported

The autonomous path trains users to have a deep understanding of Marketing Cloud and be independent. Users will make their emails, create audiences, and send emails (including launching their Journeys and leveraging other advanced features).

1 | Pre-Access Requirements & Request Access (90 mins)

Before getting access to Marketing Cloud, new users must complete the following SkillSoft courses. The following materials are intended to educate CU employees on protecting constituent data in general where training in the Marketing Cloud tools will begin in step 2 (below).

? Skillsoft Courses | Percipio Playlist [3]

complete every 3 years

CU: Information Security for IT Service Providers [4]

This 40-minute course covers your responsibilities for protecting the confidentiality and privacy of information at CU.

CU: FERPA for CU-SIS Access [5]

This 45-minute course covers how federal law protects student education records.

complete every 2 years

ICU: Information Security Awareness [6]

This 30-minute course covers how to protect university and private information.

After completing the above pre-access requirements, request access to Marketing Cloud [7] to initiate email creation onboarding and training.
