

CU Data 11.1 Report Studio Change [1]

August 22, 2019 by [Aron Sage](#) [2]

Report Developers,

As you start to investigate and develop in the new 11.1 Report Studio interface, we wanted to provide you with some of the main changes that have occurred with this upgrade. See the attached document for detailed information and screenshots.

Additionally, you can see this information at the IBM links below:
