

## **New policy on lactation space approved** <sup>[1]</sup>

March 16, 2022 by [worsham@cu.edu](mailto:worsham@cu.edu) <sup>[2]</sup>

The Office of Policy and Efficiency (OPE) announces the approval of a new administrative policy statement on lactation space. This new policy requires the development and implementation of campus lactation policies. Click [here](#) <sup>[3]</sup> for related story.

*APS 3005-Lactation Space* was approved by the president after a review at the March 3, 2022, TEAM Meeting. The effective date for APS 3005 is March 15, 2022.
