

A New CU Marketplace User Experience! ^[1]

November 5, 2021 by [Staff](#) ^[2]

A new CU Marketplace user experience will be implemented on November 15 that will impact the shopping cart, requisition, purchase order, and invoice pages. This new user experience will deliver a more modern and streamlined interface to the CU Marketplace. **Note:** current processes and functionality will remain the same, only the visual and page layouts will be updated.

To help make this transition as smooth as possible, CU Marketplace users will have the ability to preview the new user experience changes starting October 15.

For information on how to preview the new user experience and to access other training resources, please visit our webpage at: <https://www.cu.edu/psc/training/cu-marketplace-training> ^[3]
