The University of Colorado launched Skillsoft Percipio, Skillsoft's updated learning platform, earlier this year. This new platform provides CU employees and students with valuable learning programs, skill assessments and access to required university trainings.

Accessing Skillsoft Percipio

1. Log in to the [employee portal](#) [3].
2. Open the **CU Resources** dropdown menu.
3. Select **Training**.
4. Click the **Skillsoft Percipio** tile.

When you first log in, Percipio will ask you to identify your campus as CU System and select topics of interest. View the [Take a tour of Skillsoft Percipio video](#) [4] for even more information.
