

FIN How-to: Sample Worklist ^[1]

A Worklist is a prioritized list of work items awaiting action by you, such as review or approval. It can be accessed from your Home page.

Sample Worklist

The From/Date columns indicates who sent you something and when.

You can identify each worklist item as high, medium, or low priority, and you can sort your worklist in priority order.

The Work Item will indicate what type of action is needed by you, and the Worked By Activity indicates how the transaction was routed to you.

Selecting the link to a worklist item will take you to a detailed view, where you can view attachments, or access a page to review or approve the transaction.
