

Mental Health Resources ^[1]

Interested in resources to care for your mental health? CU programs can lend a helping hand.

Rest assured, many resources are available to University of Colorado faculty and staff seeking mental health and wellness information — whether you are looking for help with personal growth, navigating transitions, discovering solutions or simply seeking additional support through difficult or uncertain times.

For CU Health Plan enrollees

All CU medical plans offer **one preventative mental health care visit** at no cost each plan year. Find out more about the mental health resources offered by CU Health Plans.

[LiveHealth Online](#) [12]

Anthem recommends CU Health Plan members use telehealth when they can for medical, psychological, psychiatric and allergy-related concerns. Anthem plan members can visit [anthem.com](#) [13] secure portal to use [LiveHealth Online](#) [14] and connect with a board-certified doctor via live chat or video. This includes visits with a mental health professional.

Use [LiveHealth Online](#) [12] to visit with a doctor 24/7 through live video. You can use the LiveHealth Online app on your mobile device or use your computer's camera to have your telehealth visit.

[Sleepio](#) [15]

Available to Anthem plan enrollees, [Sleepio](#) [15] uses research-backed techniques to help improve the quality of your sleep including time to fall asleep, depth of sleep and duration.

Resources for everyone

Mental Health Resource Hub

The Mental Health Resource Hub [22] is a free online digital resource site designed to help you navigate social isolation, anxiety and other challenges.

Colorado State Employee Assistance Program

The Colorado State Employee Assistance Program (CSEAP) [23] has provided resources that you may find helpful*:

- CSEAP teletherapy [24] counseling sessions
- CDC online resources on managing stress and anxiety [25]

***Please note:** State of Colorado Mental Health licensing laws do not allow any therapist to service someone outside the state of Colorado. As such, CSEAP is unable to serve people who are not physically located in the State of Colorado at the time that services are to be rendered.

LinkedIn Learning course collections

Employee Services has curated three collections of LinkedIn Learning courses [26] on mental health, work-life balance and cultivating your personal purpose.
