### **Faculty Council & Committee Eligibility**

In order to be eligible for appointment to Faculty Council Representative At Large and/or Faculty Council committee member, you must be a member of the Faculty Senate.

Each campus Faculty Assembly is responsible for electing and appointing two to three Faculty Senate members to be Faculty Council representatives at large and/or standing committee members.

Terms of Faculty Council representatives at large and committee members are three years, with renewal possible for an additional three-year term. At least one year without membership must follow each pair of three-year terms. Ideally, terms are staggered so that members' terms don't end at the same time.

If you are eligible and have an interest in serving on Faculty Council, current or upcoming vacancies for Faculty Council representatives at large and/or committees can be found on membership rosters posted on:
