Media Relations

System Level

The CU System office manages several outlets and programs that disseminate news and information to faculty and staff. [Learn More.](#)

These programs also promote CU's educational, research, and economic contributions to the rest of the world.

CU Connections ^[3] is an online publication providing news and information to the faculty and staff of the University of Colorado's campuses and system administration.

"CU on the Air" ^[4] is a podcast series that explores the University of Colorado's progressive, world-changing, life-saving research, providing leading-edge knowledge for friends of CU across the globe.

CU Advocacy Program ^[5] was created to build a network of educated and engaged people who care about the university and are prepared to promote its educational, research, and economic contributions to Colorado and beyond.

Campus External Media & Communications

Each of the four campuses has its own University Communications/Media Relations department. [Learn More.](#)

These departments help publicize news about CU with local, national, and international news organizations and showcase excellence and innovation in teaching and research.
